## Thought for the day

Hospitality is deeply embedded in human nature and to say someone is hospitable is a welcome compliment. It is no accident that Jesus made use of table fellowship to give people a concrete experience of the indiscriminate love and universal compassion of God. When we celebrate the Lord's Supper, we experience again that proclamation of the Kingdom. We join our prayer with the prayer of Jesus and the great events of salvation are made present in our time and place. Welcomed as we have been, it is our calling then to show the same love and compassion in our daily lives.

## Prayer

God of welcome and compassion: we thank you the Holy Eucharist, in which we know again your love and compassion. Help us to become what we have received. Amen.
